

SAMSUNG

DIGITAL PROFILE

Samsung leads the design world in LCD monitors. The SyncMaster is well-suited for any situation or purpose. You will be impressed by its stylish appearance and high performance.

SyncMaster 152s

Samsung LCD Monitor

SyncMaster 152s

Less bulk. More style.

The minimum depth of the 26.0mm, the light weight of 2.9kg and trimmed with a mere 22.5mm bezel and will offer you a pleasant display environment. Moreover the SyncMaster's rear embedded cable lets you use your desktop space for just productivity and performance needs.

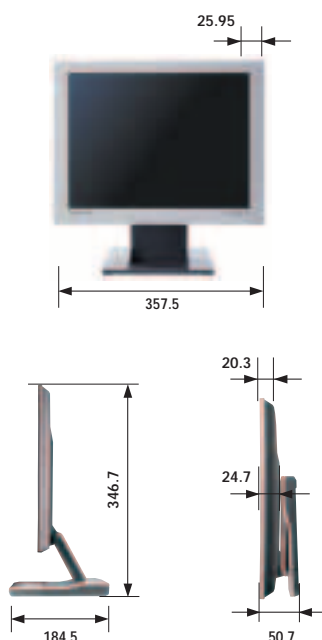

Less power consumption. More performance.

- High brightness, high contrast and quick response time
- Low power consumption
- Medical Certification

Less decoration. More versatile use.

SyncMaster's Dual-hinge system allows the monitor to be folded freely, making it as flexible as a notebook PC. You can also easily adjust the tilt and height. The SyncMaster can be hung on the wall for VESA mounting, with or without a folded or separate stand.

Dimensions 152S / unit:mm
