This sleek 15-inch LCD does everything well. Image quality is always excellent, thanks to a 450:1 contrast ratio and 1024 x 768 resolution. The display's MagicTune™ technology streamlines monitor customization via on-screen software, while its MagicBright™ technology gives you the optimum screen brightness for text, Internet and entertainment applications. The 510N also plays well with others, and its thin bezel and removable base make it perfect for lining multiple displays side-by-side for a continuous flow of data.
